3. Purposes, recipients, retention

Purpose: electronic lab notebook for documenting and tracing research work. Recipients: team members according to access rights; hosting operator for operations (data processing agreement). Retention: account data until account deletion/archiving; lab notebook content according to legal retention obligations (e.g. GxP, German Commercial Code § 257 HGB); audit/log data per the operator's retention schedule; backups rotate according to the backup policy. Source of the data: information you provided and content you created while using the service, plus system-generated records (login timestamps, audit trail, upload history) (Art. 15(1)(g) GDPR). Automated decision-making: no automated decision-making, including profiling, takes place (Art. 22 GDPR). Transfers: no transfer to third countries or international organisations takes place; recipients within the EEA only (Art. 15(1)(f) GDPR).

4. Data not included (categories only)

Password hashes, MFA secrets, reset tokens, API key hashes and signing keys are stored hashed/encrypted only and are not handed out for security reasons (Art. 32 GDPR). The audit trail, failed login attempts, changelog, to-do list, export history and favourites are included in this package (direct database export). Archived uploads: 0 files are only listed as metadata (included in this package). Third-party portions of shared content may have been redacted (Art. 15(4) GDPR).

5. Your rights

Rectification (Art. 16), erasure (Art. 17 - subject to legal retention obligations), restriction (Art. 18), data portability (Art. 20), objection (Art. 21) and the right to lodge a complaint with the supervisory authority. This disclosure was provided within the time limit of Art. 12(3) GDPR.
